

It's
Time.

HURRICANE PREPAREDNESS GUIDE

MAKE A KIT

- Safe water (one gallon/person/day)
- Non-perishable food items and a manual can-opener
- Baby food, formula, diapers if needed
- Prescription medicines
- First-Aid kit
- Battery-powered radio
- Flashlights
- Extra batteries
- Portable chargers for your digital devices
- Towelettes, wipes, garbage bags
- Soap/hand sanitizer
- Wrench/pliers to turn off utilities
- Copies of important home documents in a water-proof storage

PREPARE YOUR HOME

- Secure or move outdoor items
 - Outdoor furniture
 - Bikes and children's toys
 - Garbage cans
 - Decorations
 - Potted plants
- Trim limbs from rooflines and power lines
- Prepare gutters for heavy rainfall
 - Clean debris
 - Check gutters are secure and not sagging
 - Extend downspouts
- Know Your Flood Zone

PLAN FOR PETS

- Pet food for at least five days
- Safe drinking water
- Medication, if necessary
- Waste bags
- Leash/tags
- Pet toys
- Copies of important documents such as proof of ownership, and shot records in water-proof storage

CONSIDER A HOME STANDBY GENERATOR

A home standby generator's greatest benefit is peace of mind that your home's electrical needs can run smoothly if a power outage occurs.

Call us today for a free consultation and never worry about a power outage again.
